

6516205550.txt

IN MY WORK, I LISTEN TO THE WEATHER AND TRAFIC IN NORTHERN CALIFORNIA, AND SOUTHERN CALIFORNIA, ON XM-RADIO.IT SEARVS ME BETTER AS A TOOL ON THE ROAD THAN REGULAR RADIO.

XM IS MORE ACCURATE, UP TO DATE AND TIME,[TO THE MINUTE]. TO STOP THIS FROM BRODCASTING, WOULD BE A VIOLATION OF PUBLIC RIGHTS.

THIS IS 2004 THE TECHNOLIGY IS HERE, USE IT!
